

# HATE ON ME (OR NOT)

A wise man once sang, "While you're taking your time with apologies/I'm planning out my revenge." To quote a *different* wise man, "We got into a car, away we started rollin'/I said, 'How much you pay for this?'/ She said, 'Nothing, man, it's stolen.'" This Valentine's Day, will love rip your heart out of your chest and stomp on it till it's bloody, or will it drive you away in a '69 Lincoln Continental to the strains of Mojo Nixon?
