This Thanksgiving, let someone else do the cooking and dishes! Hidden Meadow Ranch, known for its rustically-elegant log cabins, unparalleled amenities, exceptional service and cuisine, and year-round family activities such as hiking, fly-fishing, archery, horseback riding and more, is cooking up a feast this year, including:

- \* Cider-glazed turkey with applewood-smoked bacon
- \* Maple bourbon-glazed ham
- \* Cornbread and sage dressing
- \* Roasted butternut squash soup
- \* Homemade pumpkin pie
- \* And much, much more!

Come for dinner, or stay the night, and enjoy "Leftovers in the Loft" later on. It's an evening social gathering with football and those creative leftovers you usually only get at home! All-inclusive rates start at \$550/night, double occupancy. Two money-saving deals are also available for the holiday – book the "Fall Wildlife Watching Package" and get four nights for the price of three, and a complimentary nightly wildlife exploration. Or, if you are bringing the kids, ask about the November "Kids Stay Free" deal – with this offer, if they are 11 and under, they don't cost a thing!

To make a reservation, visit [www.hiddenmeadow.com](http://www.hiddenmeadow.com), or call toll free (866) 333-4080. Based on availability. One package per reservation, please.
