

8 ways to go green

Go ahead and
call us jaded.

Get your floral fix
for summer!

1 Cabana dress

Clothes are officially in bloom, so go ahead and celebrate the warm weather with a fun, girly print. \$20, oldnavy.com

5 Samsung G2 portable hard drive

Store millions of songs, pics, chatlogs and more on this 320 GB eco-friendly memory drive that's modeled after a baobab tree. \$119, samsung.com

2 Cole Haan 680

The tortoise wins with these oversize frames—lined with a hint of green—fit for any budding starlet. \$125 at fine optical retailers.

6 HOPTU 15-inch laptop case

Upcycled neoprene from wet suit manufacturers makes a soft, durable case to cushion your computer. \$30, looptworks.com

3 Candy-color K-Swiss Surf & Sand high-tops are perfectly sweet with shorts or a denim mini.

\$55, kswiss.com

7 Get your polka on with these Wavefarer board shorts, which can be recycled through the Common Threads program.

\$55, patagonia.com

4 Alex & Ani bracelets

Made of recycled materials, these pretty Shimmering Sea Bead Expandable Wire Bangles were made for stacking. \$118, alexandani.com

8 World Cup flips

Pick from one of 17 teams and root for yours when ESPN starts its World Cup broadcast, live from South Africa, on June 11. \$24, us.havaianas.com
